

Runway Safety

Runway incursions remain a serious concern nationally. One important component of our ongoing efforts to improve surface safety at OPF Airport involves conducting a Runway Safety Action Team (RSAT) meeting at least once each year. In conjunction with airport management, we will be conducting a local RSAT meeting on Wednesday, April 22, 2015. The meeting is scheduled from 1500-1600 local at the Coast Guard Albatross Training Room.

Directions: Will be held at the Coast Guard Albatross Training Room
